## AAS Presents:

**Lead, Follow,  
or Get Out of the Way –  
Leadership in  
Contemporary  
Environmental  
Health**

This "talk show interview" with the 2013 Walter F. Snyder Award winner will examine the practice of leadership within the complexities of our ever changing environmental health profession. A moderator will begin the conversation and then bring in the audience as an interviewer with our distinguished guest. The audience will help shape the discussion on successes, failures, and transformational moments in EH leadership.

Attendees will leave with specific direction to enhance their own leadership skills for action upon pressing career challenges.

**Speaker:**

Vince Radke, MPH, RS, CP-FS, DAAS, CPH

**Saturn Ballroom**

**Thursday, July 10, 2014**
